

FOOD SERVICE LICENSE APPLICATION

Environmental Services

1. In accordance with Addison Town Ordinance No. 779, you are required to fill out the application below and return it to the Health Department ten (10) days prior to your current license expiration date.
2. Each food service establishment with the Town of Addison is required to have a valid food service license which is issued annually by the Department of Environmental Health. It shall be unlawful for any person to operate a foodservice establishment without a valid license.
3. The annual fee for this license shall be based on the following fee schedule and shall accompany the application. After the application is received, an inspection will be made, and upon passing the inspection, the license will be issued.
