Re: Termination of Arrangement for Refrigerated Storage of Dead Animals

Dear Mr. Cox,

I received your letter of March 27, 2018 notifying me of your decision to terminate the service to Addison related to refrigerated storage of dead animals. Your decision to terminate this long-standing arrangement is unfortunate. Even more regrettable is the reason driving this decision: the Farmers Branch Creek dispute.

We acknowledge your decision and will begin looking for alternative options immediately.

Sincerely,

Wesley S. Pierson  
City Manager
