Re: Termination of Library Services

Dear Mr. Cox,

I received your letter of March 22, 2018 notifying me of your decision to terminate our agreement for library services. Your decision to terminate this long-standing agreement is unfortunate. Even more regrettable is the reason driving this decision: the Farmers Branch Creek dispute.

We acknowledge your action to terminate our agreement and fully expect that you will honor all the associated terms, namely Section VI 6.1 of the contract that states that "Farmers Branch shall continue to provide library services to each Addison resident who was issued a Farmers Branch Library Cards prior to the date of termination until said resident's card has expired."

The Town will no longer issue vouchers to Addison residents for a library card at the Manske Library as of March 28, 2018.

Sincerely,
