<p><i>Description: Install slide gates controlling access in and out of the North And South entries to the parking lot due to auto theft. Long range card readers will be used by tenants for access. Telephone entry system will allow non-tenant access with keypads inside for exiting. Fire access will be with KNOX Pad Locks and Chain disconnect and KNOX Key Switches for each gate location. Gates will be made and installed per UL325 and ASTM F2200 Guidelines.                      Vehicle barrier 24" high will be added between South parking structure posts to keep access going through the gates. A small section of fencing will be added to the NorthWest back corner of the property matching the existing perimeter fence 48" tall by the electric transformer.                      Gate And Adjacent fence will be a similar design to Exponent HR at 4970 Landmark.</i></p>
