Body District Opens In Addison Circle

The former Trophy Fitness Club at 5080 Addison Circle has a new name, new owners, and a fresh new look! At the Metrocrest Chamber of Commerce ribbon cutting on Thursday, February 8, [Body District](#) owner Kent Washington shared that the new club is focused on bringing a community of like-minded, results-driven fitness seekers and trainers together to accomplish good things. The three-level, 15,000-square-foot club features the latest in fitness equipment and a group exercise room programmed with more than 30 classes a week. As part of the renovation, Body District converted a seldom-used rooftop basketball court into a popular, multi-use outdoor training space. Mayor Pro Tempore Ivan Hughes and Council Members Al Angell and Lori Ward were on hand to welcome Body District to Addison.

Addison Volunteers Go Above and Beyond

During 2017, 210 volunteers contributed more than 4,440 volunteer hours to the Addison community through the Addison Advocates program. Corporate groups like National Life Group, Bank of America, Hilton Worldwide, and Hotel InterContinental were instrumental in sprucing up our parks, including Town Park and Addison Circle, but also in helping mulch the playground at George Bush Elementary. Residents and non-residents alike helped answer phones in municipal buildings during lunch, staff key positions during special events, and even patrol our community.

The Independent Sector, a coalition of nonprofits, foundations, and corporations, places the value of a volunteer hour at \$24.14. This means the value of our volunteers' time over the last year would be more than \$107,000!

We can't thank our volunteers enough for sharing their time and talents with Addison. Also, many thanks to our amazing volunteer coordinator Stacy Love. Are you interested in being a part of the Addison Advocates program? Get all the details [here](#).
