### **Metrocrest Chamber of Commerce Holds Ribbon Cutting for Bradley Kerley: Allstate Insurance Agency**

On Friday, October 18, City Council Member Ivan Hughes, Deputy City Manager John Crawford, and members of the Addison team joined representatives of the Metrocrest Chamber of Commerce in a ribbon cutting for Bradley Kerley: Allstate Insurance Agency. Mr. Kerley prides his Allstate Agency on being family-owned with the goal of helping people of all financial backgrounds become insured.

The Bradley Kerley: Allstate Insurance Agency is also one of the few agencies in the region that is designated as an Operation Kidsafe operator. Operation Kidsafe is a program that creates on site AMBER Alert safety forms for parents. Using the latest all digital systems they can capture the fingerprints of each hand, along with a full digital head and shoulder photograph. This information is then printed on a hard copy and handed to parent for safe keeping. There is an area on the document for parents to update with a current photo.

For more information on the Bradley Kerley: Allstate Insurance Agency or Operation Kidsafe, visit their website at the following link: [Bradley Kerley: Allstate Insurance Agency](#) . Welcome to Addison!

REGISTER FOR **EMERGENCY ALERTS**

IF WE CAN'T REACH YOU,

WE CAN'T ALERT YOU!

[AddisonAlert.com](https://addisonalert.com)

On Sunday, October 20, Addison sounded its emergency outdoor sirens in response to a Tornado Warning that was issued by the National Weather Service at 9pm. The purpose of the Town's [six outdoor sirens](#) , which were recently replaced, is to notify people who are

outdoors that something life-threatening is happening and that they should go indoors to get more information. You can also [watch this NBC 5 segment to learn more about how outdoor warning sirens work](#). Addison's sirens are tested on the first Wednesday of every month at 1pm, but will not be tested audibly if the sky is overcast or there is threatening weather in the area. The next test is scheduled for November 6 at 1pm.

If a resident would like to be notified of a weather emergency in their home by phone, text, or email, they can register for alerts through [Addison Alert](#). Remember, if we can't reach you, we can't alert you! The Addison Fire Department encourages all residents to sign up for Addison Alerts!
