Around Town

Addison Athletic Club Phones Not Working

The phones at the Addison Athletic Club are currently not working due to a cut fiber-optic cable. If you need to reach the Club, please email clubinfo@addisontx.gov . Staff will be checking and responding to emails through a Club iPad. We are working with Spectrum to get the problem resolved as quickly as possible. Thank you for your patience.

New Addison FixIT App Now Available for Download

The new **Addison FixIT** app is now available for download in the app store.

Addison has officially transitioned to a new *Addison FixIT* app to better serve you. The new app still allows you to report problems around town, but also offers a more intuitive user experience. The administration features of the app will help streamline the Town's response to requests and allow staff to send progress updates on multi-phase requests.

You will not be able to submit service requests until you download the new app . Addison FixIT is available for Android and iOS.

You can also submit service requests online at www.AddisonFixIt.com . If you have already registered on the website to report problems, you will need to re-register now that the new program has launched.

Thank you for your patience as we work to deliver outstanding service to our community.
