Business Pulse

Meet and Greet at Addison Circle One

On Wednesday, March 6, Deputy Mayor Pro Tempore Tom Braun and Council Member Ivan Hughes joined Economic Development and Tourism Director Orlando Campos, Economic Development Manager Wilson Kerr, and Metrocrest Chamber of Commerce President Erin Carney bright and early for the monthly office building meet and greet. The Addison team greeted employees as they arrived to work at the Addison Circle One Office Building and thanked them for working in Addison. One of the largest office buildings in Addison Circle, the building is home to companies such as Cyxtera, Solis Mammography, and Aerotek.

Around Town

We Need Your Input on Updating Addison's Unified Development Code

Addison is in the process of a comprehensive review of the Town's development regulations. Many of the Town's rules for development were crafted in the 1980s and may not be keeping up with current development trends, shifting demographics, and evolving consumer preferences or current and future community needs. To accomplish this review, the Town is working with consulting firm, Clarion Associates. Clarion has completed an assessment of the Town's current development regulations and identified opportunities for enhancement and areas where input is needed from the public.

You can review [Clarion's assessment here](#) and provide us with feedback via email at udc@addisontx.gov . You can also join us for a public input meeting and discussion on the future of Addison's development regulations:
