## A Weekly Wrap Up of All Things Addison!

October 9, 2020

**Council Update**

**COVID-19 Update**

## COVID-19 Update

Governor Abbott issued an [Executive Order](#) on October 7 to open bars and similar establishments at up to 50% capacity in conjunction with county officials. In hospital regions where COVID-19 hospitalizations are less than 15% of hospital capacity, County Judges will be able to opt their county into opening bars beginning October 14, provided they assist in enforcing health protocols. However, Judge Clay Jenkins has said that he will not file to open these establishments in Dallas County at this time. The Governor's Executive Order also increases the occupancy levels for all business establishments other than bars to 75% including movie theatres, libraries, and museums.

To date, Addison has a total of 357 confirmed COVID-19 cases and no deaths according to Dallas County Health and Human Services (DCHHS). DCHHS releases new numbers every Tuesday and Friday and [reports can be found on their website here](#).

As a reminder, the [Executive Order](#) issued by Governor Greg Abbott on July 2 requiring all Texans to wear a face covering over the nose and mouth in public spaces remains in effect. Please continue to also follow these preventative measures to help reduce the spread of COVID-19:

- Stay home when you are sick.
- Wash your hands with soap and water for at least 20 seconds and help young children do the same. If soap and water are not available, use an alcohol-based hand sanitizer with at least 60% alcohol.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Avoid close contact with people who are sick.
- Clean and disinfect frequently touched objects and surfaces using a regular household cleaning spray or wipe.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash. If you do not have a tissue, use your sleeve (not your hands).

## Business Pulse

### Mayor Chow Delivers Grant Fund Checks to Addison Businesses

On Tuesday, October 8, Mayor Joe Chow and Economic Development and Tourism Director Orlando Campos hand delivered checks to some of the companies who were granted funding through the Addison Cares Lease/Mortgage Assistance Grant Program. Addison launched the program in July to help provide support to small businesses adversely affected by COVID-19. The Town established the fund through CARES Act funding distributed by Dallas County and each grant was valued at 75% of a business' gross lease or mortgage for two months, for a maximum grant award of \$10,000 per company. Twenty-one companies who applied for the program were eligible and over \$120,000 has been awarded. Addison will be also launching a relief program for local hotels that have been adversely affected by revenue declines as a result of COVID-19.

### **Metrocrest Chamber of Commerce Hosts Virtual Mayors' Forum**

On Wednesday, October 7, the Metrocrest Chamber of Commerce hosted a virtual Mayors' Forum with Addison Mayor Joe Chow, Carrollton Mayor Kevin Falconer, and Farmers Branch Mayor Robert Dye. While observing social distancing on the stage of the Firehouse Theatre, Metrocrest Chamber of Commerce President Erin Carney questioned the Mayors about the impacts of COVID-19 on their communities, business advocacy, and future plans.
