**August 21, 2020**

**Council Update**

**COVID-19 Update**

As of August 18, Dallas County Health and Human Services (DCHHS) is reporting 787 additional confirmed cases of COVID-19, bringing the total confirmed case count in Dallas County to 66,065 confirmed cases, including 839 confirmed deaths.

As a reminder, the [Executive Order](#) issued by Governor Greg Abbott on July 2 requiring all Texans to wear a face covering over the nose and mouth in public spaces remains in effect. Please continue to also follow these preventative measures to help reduce the spread of COVID-19:

- Stay home when you are sick.
- Wash your hands with soap and water for at least 20 seconds and help young children do the same. If soap and water are not available, use an alcohol-based hand sanitizer with at least 60% alcohol.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Avoid close contact with people who are sick.
- Clean and disinfect frequently touched objects and surfaces using a regular household cleaning spray or wipe.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash. If you do not have a tissue, use your sleeve (not your hands).

As of August 18, Addison had a total of 274 confirmed COVID-19 cases and no deaths according to Dallas County Health and Human Services (DCHHS). DCHHS releases new numbers every Tuesday and Friday and [reports can be found on their website here](#).

## Around Addison

### Oncor Tower Replacement Project on Schedule

This week, construction of the foundations for the new Oncor towers along Redding Trail began. This work involves moving large equipment into the area. Oncor is concerned about resident safety and asks that residents please adhere to the caution tape and trail closure signs. We ask that residents avoid these areas to help Oncor create a safe work environment among the heavy machinery until the trail is open for public use again in November.

Below is the updated project timeline:

#### **August 10 – October 30: Install Foundations & Line Construction**

- A reduced portion of the Redding Trail Dog Park will open for use. Periodic closures for construction may be required.
- The trail will be closed to the public.

#### **November 1 – 30: Clean-up and Restoration**

- Oncor will clean-up and repair damage to the landscape.
- Addison parks crews will install the pedestrian light poles and replacement vegetation.

### Beltway Drive Sanitary Sewer Project Update

In early May of this year, Addison began a sewer relocation project, Sanitary Sewer Basin I, along Beltway Drive east of Midway Road. Currently, Addison contracts with Farmers Branch to dispose the sewage for the business district west of Inwood Road and south of Belt Line Road. In the Fiscal Year 2020 budget, Addison City Council allocated funds to extend the Town's sewer system so that we can provide the necessary capacity in our own system.

The Town's contractor, Flowline Construction, has installed 100% of the sanitary sewer line and will continue working on water main line improvements. They have completed 50% of the pavement replacement on Beltway Drive and will begin restoration of the parking lots and alley ways in the coming weeks. The project is currently on schedule to finish by January 2021.

### Metrocrest Services Seeks Volunteers

Metrocrest Services is still operating during regular business hours and is in need of volunteers to assist in the Food Pantry to continue serving our neighbors in need during this difficult time. The Food Pantry hours are currently Monday - Friday 8:30am-4pm and Saturday 9am-12pm (subject to change).
