## A Weekly Wrap Up of All Things Addison!

June 4, 2021

### Council Update

#### Addison Facilities to Re-Open to the Public

On Saturday, June 5, the Addison Athletic Club will return to its regular hours of operation and on Monday, June 7, Town offices will reopen to the public.

Find links for COVID-19 vaccine providers on the Town's website [here](#).

#### Upcoming Public Hearings

The following public hearing will take place at the June 8 Addison City Council Meeting. The [agenda will be posted](#) three days prior to the meeting.

Case 1828-SUP/District. Public hearing on a recommendation regarding an ordinance changing the zoning on property located at 5100 Belt Line Road, Suite 544, which is currently zoned PD, Planned Development, through Ordinances O12-002 and O20-08, by approving a Special Use Permit for a new restaurant called District with the sale of alcoholic beverages for on-premise consumption only.

## Around Addison

### Sam's Club Area Study Community Open House Planned for June 10

The Town is hosting a Sam's Club Special Area Study Community Open House for Addison residents, property or business owners, stakeholders, or interested groups on Thursday, June 10 from 6 - 8pm at the Addison Athletic Club. There will be a brief presentation at 6pm, followed by informal discussions. Participants are welcome to come when they want and stay as long as they choose.

If you would like to receive emails on the progress of the study, [please register here](#). If you have any questions about the project, please visit [www.addisontexas.net/SamsClubStudy](http://www.addisontexas.net/SamsClubStudy) or contact Director of Development Services Ken Schmidt at [kschmidt@addisontx.gov](mailto:kschmidt@addisontx.gov).

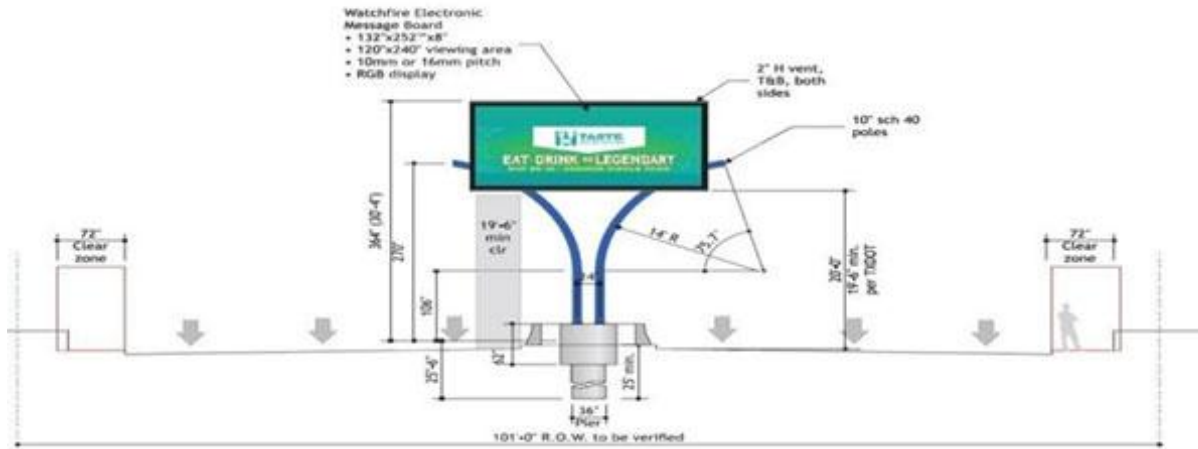

### Taste Addison is THIS Weekend

Taste Addison returns to Addison Circle Park June 4 - 5! The region’s original food festival continues to deliver dozens of Addison’s favorite eateries, national music artists, and activities for the whole family with a full menu of fun. Friday night American rapper, singer, and songwriter Flo Rida will take the stage. Then on Saturday, Lit, Hoobastank, The Red Jumpsuit Apparatus, and Third Eye Blind will entertain guests into the night.

Tickets are on sale and can be purchased at [www.TasteAddisonTexas.com](http://www.TasteAddisonTexas.com)

### Electronic Belt Line Road Sign Base to be Installed June 7

Addison is planning to install the Belt Line Road electronic sign base Monday, June 7 through Tuesday, June 8, weather permitting. Funding for the sign, which will be located just east of Quorum Drive across from the Magic Time Machine, was approved by voters in the 2012 bond election and will replace the vinyl banners used to promote Addison events. Crews are planning to begin working around 6pm on Monday and work through the night. They anticipate being complete by 5:45am on Tuesday. Expect to see several lane closures during the installation.

### Addison Environmental Health Division Offers Free Mosquito Dunks to Help Residents Control Mosquitoes

To help Addison residents reduce the number of mosquitoes on their property, the Addison Environmental Health Division is giving away free Mosquito Dunks® to residents. Mosquito Dunks® are small, donut-shaped objects that float on the surface of the standing water and release bacteria that kill mosquito larvae in the water before they become adults. A single dunk will treat an area of about 100 square feet.

Mosquito Dunks® will be available, free of charge, for pickup at the Addison Athletic Club (3900 Beltway Drive) and the Addison Service Center (16801 Westgrove Drive). There is a two-package per household limit and we have extended the pick-up date to June 11.

For questions or more information, call the Environmental Health Division at (972) 450-2880.

## Reagan Randall Retires After 4 Decades of Service to Addison

On Thursday, June 3, the Addison Fire Department (AFD) recognized the retirement of Fire Equipment Operator Reagan Randall who officially retired on April 28 after 40 years of service to the Addison community. The longest-tenured Addison employee, Reagan started in Addison in 1981 when he was 19 years old. Addison Mayor Pro Tempore Guillermo Quintanilla, Council Member Marlin Willenson, and City Manager Wes Pierson joined Fire Chief David Jones, AFD staff and their families, and AFD retired members to share in this special occasion.

Thank you, Reagan, for dedicating four decades to serving Addison! Enjoy your well-deserved retirement.

## Redding Trail Update

Oncor has completed its work for the tower replacement project along Redding Trail. Parks crews have installed the light poles and new drinking fountains, replaced the masonry plinth and the trash receptacles along the trail, and restored the plaque. Staff is awaiting delivery of replacement pet waste stations and two light poles that were damaged, and once these items are received they will be installed. Parks crews are also working to replace shrubs, plantings, and turf that died during the winter storm or were damaged as part of the tower replacement project. This work will be ongoing through the fall months.

The Town has hired an engineer to develop a plan for drainage improvements along the trail where homes along Canot Lane abut the trail corridor. Ligustrum shrubs that were severely impacted by the unusually low temperatures in February are in the process of being removed so survey work along the property line can be completed. Shrubs will be replanted in conjunction with the drainage improvement project that is anticipated to take place in the fall. Residents who live on Canot Lane adjacent to the trail will be invited to a meeting to review plans once the engineer has developed concept plans.

### Athletic Club Doors to Get an Upgrade

The doors at the Addison Athletic Club are being updated to include automatic closure devices. Not only will the new enhancements make the doors Americans with Disabilities (ADA) compliant, but they also provide a touch-free option for guests. The work, which will begin June 11 and take approximately a week to complete, will involve cutting and patching the concrete around the front entrance. During this period, members will be directed to enter through the gymnasium doors.

Thank you for your patience as we work to improve the Athletic Club.

## How to Stay Informed

Addison shares information with the community in a number of different ways. Here are some ways you can stay updated on the latest news:

### Website:

- [www.addisontexas.net](http://www.addisontexas.net): Find alerts and updates on the homepage and department-specific updates on department pages
- [www.addisontexas.net/covid19](http://www.addisontexas.net/covid19): Find specific COVID-19 updates and resources
- [www.addisontexas.net/Midway](http://www.addisontexas.net/Midway): Find information on the Midway Road Revitalization Project and subscribe for project email and text updates
- [www.addisonalert.com](http://www.addisonalert.com): Get alerts about severe weather and other emergencies in the Town of Addison, as well as register to receive updates on Town programs
