**Around Town**

**Winter Storm Brings Freezing Temperatures and Icy Roads**

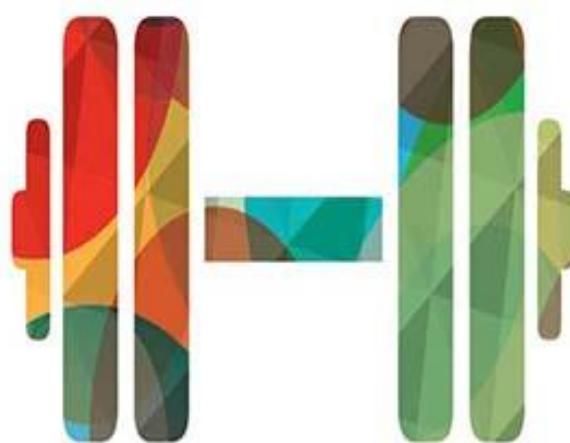

While the winter storm that blanketed North Texas this week offered some great photo opportunities, it also resulted in closed offices and treacherous driving conditions. Addison crews worked around the clock preparing and maintaining streets, protecting Town offices, and responding to emergency calls. Addison closed its offices to the public on Thursday and Friday while staff continued to deliver services to the community virtually.

According to the National Weather Service (NWS), while some melting occurred on Friday, residual water will refreeze as temps fall into the single digits and teens on Friday night. Highs Saturday will be above freezing, melting much of the snow and ice. Public Works crews will continue to monitor roadways and sand intersections as needed. Wheeler (Arapaho Road over Midway Road), Bella (Vitruvian), and Ponte Bridge (Vitruvian) will remain closed until conditions improve.

If you encounter a fallen tree blocking a roadway or you suspect a water main break in your neighborhood — please report it to Public Works as soon as possible at 972-450-7156 (this is the non-emergency public safety number).

### Athletic Club Delayed Opening on Saturday

Out of concern for the safety of our residents and employees, the Athletic Club opening on Saturday, February 5 will be delayed until 10am to give crews time to clear the ice off of the sidewalks. Thank you for your understanding - our staff looks forward to welcoming everyone back to the building.

### Small Plane Slides Off Runway at Addison Airport

On Saturday, January 29, the left main gear of a Cessna 421C failed and detached when it landed at Addison Airport. The plane slid off the runway and Addison Fire Department was dispatched to respond to the incident. The pilot and four passengers who were on board were not injured. The runway was closed for several hours until an aircraft retrieval specialist was able to remove the small plane.

### DART Silver Line Community Meeting Rescheduled

DART's biannual Silver Line Community Meeting for Addison scheduled for Thursday, February 3 was postponed due to inclement weather. As soon as the new date has been confirmed, staff will post it on [the Town's website](#) and on social media.
