Council Update

Council Discusses Strategic Plan for Fiscal Year 2022

During a special council meeting on Tuesday, June 7, the City Council reviewed its [strategic pillars and milestones from Fiscal Year 2022](#). The pillars and milestones will drive budgetary decisions and set the priorities for staff in the coming year. The Council decided to tweak a few of the milestones for Fiscal Year 2023 and will adopt both the pillars and milestones at an upcoming City Council Meeting.

Around Town

Paving Begins on Midway Road

Pavement replacement for the Midway Road Revitalization Project began on Thursday, June 9. The two easternmost northbound lanes from Hornet Road to Proton Drive were the first lanes placed. The concrete placements will continue from Hornet Road to Spring Valley Road in phases until all northbound lanes are constructed. You will notice that some areas were skipped in the current paving process. Those areas were left to allow access to the adjacent businesses and will be completed at various phases to assure continuous access to those businesses. Please note that once the new concrete is placed, it will be required to “cure” (to attain the specified compressive strength) prior to vehicles being allowed on the new pavement. As the pavement replacement is completed, the sidewalks, ramps, retaining walls, and other amenities will be completed along the eastern side of the northbound lanes.

The new sanitary sewer lines continue to be installed from Beltway Drive to Belt Line Road and utility crews are working to complete the installation of the new water and sanitary sewer lines in the northern segment of the project between Keller Springs Road and Belt Line Road. On-going DART Silver Line construction also continues just north of the Arapaho Bridge crossing.

You can watch the [Behind the Scenes video](#) to learn more about the project and phasing. You can register for Midway Road text updates by texting the word Midway to 888-777 or subscribe to email updates at www.Addisontexas.net/midway. Thank you for your patience as we strive to make Addison a better place to live, work, and play.

Addison Cheers North Texas Special Olympics Athletes

Addison Airport was honored to help send off Special Olympics athletes from across North Texas as they headed to Orlando, Florida for the Special Olympics USA Opening Ceremony on Saturday, June 4. Many thanks to all the volunteers who came out to line the red carpet with posters and cheer on the teams as they climbed aboard donated private aircraft flown by pilots volunteering their time. A special thank you to Addison resident and DJ "All Over Town" Chris Brown for donating his time to spin tunes for the crowd. Hats off to Million Air Dallas not only for hosting the event, but also for donating the fuel for the planes that left from Addison Airport.

Kaboom Town Tickets for Residents Now Available

Addison started requiring tickets for the July 3 Kaboom Town! watch party in Addison Circle Park last year in order to help manage capacity in the park for this popular event. Tickets are currently available for Addison residents until noon on June 21, before they are available to the general public. A postcard has been mailed to all residences with a website address and ticket code so please watch your mailbox closely for more details. Tickets are limited to six per household.

If you need additional tickets, you can visit www.AddisonKaboomTown.com at 10am on June 22 when the general admission ticket portal opens. Please direct questions to the Special Events Department at specialeventsinfo@addisontx.gov.

Archer Western Herzog Gives DART Silver Line Update

DART's Silver Line contractor Archer Western Herzog (AWH) hosted a Breakfast and Coffee on June 9 at Dolce Paradiso Bakery to provide construction updates on the project. More than 30 people came out with great questions about the station's aesthetics and connections to DFW. AWH shared that the projected date for revenue service is December 2024.
