There will also be Pickleball open play on one court on Tuesdays and Thursdays from 9am - 11am. Members will be able to enter the gym using the back door on the south side of the building and will not be required to climb the outside stairs. Basketball playing times will be added as the transition back into the club continues.

Summer camps will remain at the Water Tower until further notice.

Athletic Club Renovation Update

While there have been a few unexpected obstacles during the Athletic Club's renovations, everything is really starting to take shape. The ceilings and lights in the locker rooms have been installed and the vanities are in the process of being installed. Crews are now busy putting tile on the floors in both locker rooms.

In other areas around the club, the ceiling is going up on racquetball courts and shotcrete has been applied to the hot tub. Most of the woodwork staining is complete. The front desk is being built offsite and will be installed soon. The basketball gym is being painted this week and painting has also begun in other parts of the building. The kids' play feature and the UV sanitation systems have both been installed at the outdoor pools.

You can find more project details at www.addisontexas.net/clubrenovations and register text updates by texting **ClubReno** to 888-777. Athletic Club staff also shares renovation pictures weekly on the [Club's Facebook page](#).

Thank you for your continued patience as we work to improve our club.
