ADDENDUM NO. 1

Date: 1/14/2022
Project Name: Winnwood Road Bridge Class Culvert Outlet Armoring–Bid 22-29
Owner: Town of Addison
Owner Project No.: 2021-07C
Garver Project No. 20T46006

This addendum shall be a part of the Plans, Contract Documents and Specifications to the same extent as though it were originally included therein, and it shall supersede anything contained in the Plans, Contract Documents, and Specifications with which it might conflict. This addendum, including all attachments, shall become part of the Contract and all provisions of the Contract shall apply thereto. The time provided for completion of the Contract has not been changed as noted in this addendum. Acknowledgement of receipt of this addendum must be noted in the appropriate section of the Bid Form and included with the Contract Documents.

A. FRONT ENDS

1. Revise Section IB – INSTRUCTION TO BIDDERS as follows:
 - a. ITEM K – Preparation of Bids: Uploaded an Excel file of the bid proposal into Civcast under the folder named “Other” for the contractor’s use and submittal in lieu of filing out the bid proposal by hand. The contractor is responsible for any and all excel formulas used in computing the bids.
2. Revised Section PF – PROPOSAL FORM as follows:
 - a. Replace the bid proposal form sheets PF-3, PF-4, PF-5, and PF-6 showing Excel form of the bidding proposal form for use in listing bid pricing information. Item 21 was modified by pre-populating the “Allowance” price of \$30,000.00.

B. Questions received on Civcast as of 5:00 PM 1/13/2022. Note, questions received after this date/time will be answered in the next addendum.

1. What is the estimated cost range?

Answer: Not available

2. Who pays for construction materials testing?

Answer: Please refer to Special Provision Item #34 "Samples and Tests of Materials".

3. Who pays for construction water usage?

Answer: Not available Water meters for construction must be obtained through the Utility Billing Department. The contractor shall set up an account and pay a deposit to receive a fire hydrant meter and backflow device. The contractor shall pay a \$1,500 deposit and set up an account a minimum of 24-hours in advance of construction. Water meter will be read once every month. Contractor is responsible for coordination, obtaining, and paying for any water, electrical, or other services needed for operations required for this project. Utility billing contact information will be provided by the Town of Addison: Jose Miranda – Utility Billing Supervisor, 972-450-7075 JMIRANDA@ADDISONTX.GOV.

4. Who pays for construction water usage? In the bid documents, there is a form to fill out if the bidder is an individual, a partnership, a corporation, or a joint venture. There is nothing to fill out for an LLC. Should we leave this form blank?

Answer: Please, simply identify yourself as LLC and fill out the form as normal. Thank you for the question.

5. Will the City accept the excel bid form without unit prices written in words since it will be a computer printout?

Answer: The written pricing is to clarify any numerical pricing discrepancies. Please, fill out the written pricing with words. Thanks

6. Bid Item 21: Construction Contingency Owner's Allowance (As Approved by Owner) Is there a Contingency Allowance or should we put \$0.00 for Bid Item 21?

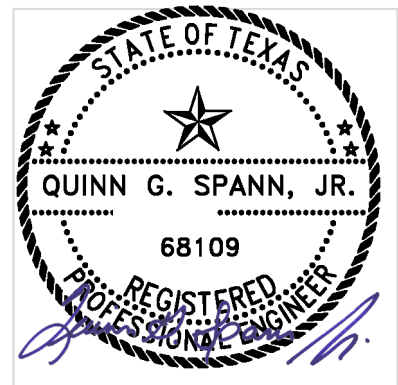

Answer: The "Construction Contingency Owner's Allowance (As Approved by Owner)" shall be \$30,000. This will be addressed in Addendum No. 1 later this week.

7. Would you please post the pre-bid meeting attendees list?

Answer: Yes, that list will be uploaded into Civcast under the folder labeled "Other" before the end of this week
